- ◆ Floor plans are fully reversible.
- ◆ Pricing includes all building costs, fees, and cremation equipment (furnishings not included).
- ◆ Plans are prepared to submit to your local building department.
- ◆ Prices subject to change depending on site conditions and local municipality requirements.
- ◆ Custom plans are available at an additional cost.

**Miller Architects & Builders'** hands-on approach means we have better control over every aspect of every project, from schedule, to quality, to cost.
